OUR MIND IS THE

'FREEDOM' THAT

Mihoub

"ART BRUT CONSCIENT"

IT IS PURE CREATION, COMPULSIVE OF BODY AND MIND,
THAT TRANSCENDS US.

ONE STROKE AFTER ANOTHER, IN THE PRESENT MOMENT,
THOUGHTS BECOME NOTHING BUT PHANTOMS, AND THE
MIND IS FREED.

GLOBAL CONSCIOUSNESS TAKES THE REINS AND SERVES
THE CREATOR.

EVERYTHING BECOMES CLEARER; WE NO LONGER THINK
ABOUT WHAT WE ARE GOING TO DO... WE ARE WHAT WE
DO!

BRUTAL, WILD, AND ANIMAL. INSTINCT PLAYS NO ROLE.

AUTHENTIC AND SERENE, IT RESONATES WITHIN US...

PLAN NOTHING...

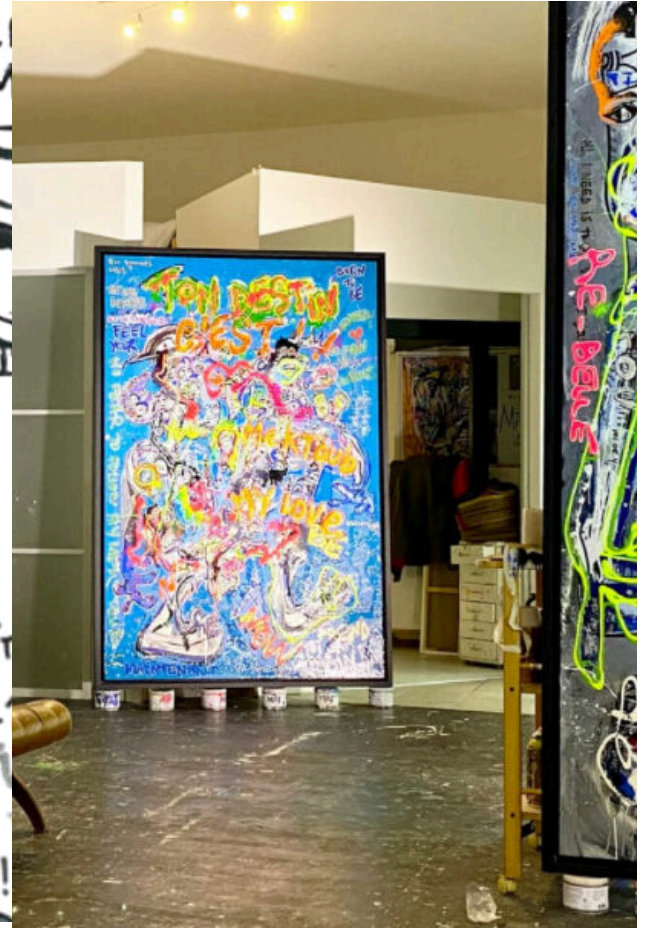

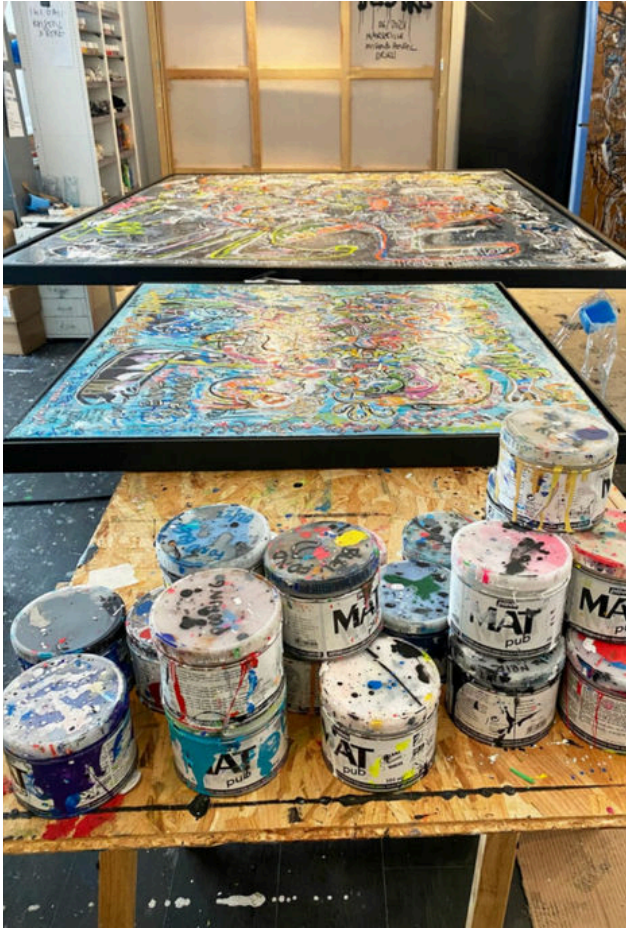

SET A FRAMEWORK AND UNLEASH THE HORSES.

WORK TIRELESSLY TO PASS THROUGH THE SMOKE...
MEDITATE. GIVE. RECEIVE. AND THUS, PIERCE THE VEIL OF
OUR EGO.

POET, MYSTIC, OR PAINTER...
THE CONSCIOUS OUTSIDER ARTIST STANDS IN THE RING
OF THE GREATEST BATTLE.

THE BATTLE OF THE SOUL 

OUR MIND IS THE LAST SPACE OF FREEDOM WE CAN
CHOOSE TO EXPLORE OR IGNORE.

MANTRAS

Each work by Mihoub is an intimate experience, an energy unleashed onto the canvases.

His words accompany his gestures, conveying the raw sincerity of his journey and the power of his creation.

These mantras reveal the spirit of his work and provide keys to entering his universe.

THE FREEDOM OF THE MIND

"Our mind is the last space of freedom that we can either ignore or explore"

"To create is to push boundaries, to refuse confinement, to invent your own path"

SINCERITY AND RAW ENERGY

"I don't seek to please; I seek to be true. Raw energy, raw sincerity—that's what brings my work to life"

"The canvas is my mirror : it does not lie ; it reveals who I am, here and now"

THE ACT OF CREATING

"When I create, I let myself be carried by the energy that is released. Gradually, I see forms emerge. For me, a composition is a dance, a ballet"

"Each painting is a mantra that reconnects us to our own story and reminds us that anything is possible, when we first surprise ourselves"

THE JOURNEY, THE IDENTITY, AND THE REVELATION

"San Francisco was a rebirth for me, an explosion. My Matrix shattered, and I shouted : My name is Mihoub !"

"It was there that I rediscovered my true identity. Saying my first name for the first time was an affirmation, a liberation : I am Mihoub"

"Art arrived like an eruption, a geyser. It is a force that flowed through me and has never left"

Mihoub was born in Oran, Algeria, in 1976, the youngest child in a family that included his two biological parents, three older sisters, and three older brothers.

At one month old, he was entrusted to his paternal aunt and her husband, leaving Algeria to live in France with his new parents. This adoption began under a veil of secrecy, and he grew up without his real name, going by the nickname "Momo." It was only 25 years later, in San Francisco, that he would sign his first paintings as Mihoub.

Beyond Expectation tells the story of a child with an extraordinary destiny who, against all odds, transformed his life into an artist's dream. In 2023, Mihoub joined the Bel-Air Fine Art group at their gallery in Honfleur.

Since then, his work has won over collectors and the teams of François Chabanian (CEO & Artistic Director of the group). Today, his pieces are also exhibited in Geneva, Saint-Tropez, Brussels, Paris, Marseille, Aix-en-Provence, Annecy, and Crans-Montana.

"Each painting is a mantra that reconnects us to our own story and reminds us that anything is possible, when we surprise everyone by starting with ourselves." – Mihoub
